#### Notes:

Paint type suitable for environment category C3 in accordance with EN ISO 12944:1998 for both Marine and Industrial applications

Thermistors fitted as standard (1 per phase PTC160).

V1 vertical flange mount are same prices as B5 horizontal flange - rain canopy extra cost if required.

B14 C face, B3/5 foot/flange foot/C face are all available - please contact sales office for prices.

Items with stock references are normally available ex stock.

**For all other items please check with sales office for availability on 0161 848 9519**
